Rollover in Southern Holt County Sends Man to Hospital

(KTNC)--A northwest Missouri man was injured in a rollover crash early Saturday morning in southern Holt County.

The Missouri State Patrol says 22-year-old Michael Butrum of Rosendale lost control of his car on northbound Highway 59, two miles south of Oregon, at 6:15 Saturday morning.

Butrum's car crossed the highway, skidded into a small tree, and overturned twice, coming to rest on its wheels off the west side of the roadway.

Butrum was transported by ambulance to the Heartland Regional Medical Center in St. Joseph with what were described as moderate injuries.
