CPR Hero Challenge Comes To Holton

(KNZA)--A unique CPR training is planned in Holton Tuesday, with the goal of the CPR Hero Challenge to see 100 individuals trained on the use of Hands-Only CPR.

Con Olson, Regional Director for Jackson County EMS, says Tuesday's challenge will be conducted in ten minute sessions, running from 9:00 until 2:00, on the lawn of the Jackson County Courthouse.

Olson says anyone that wants to take part in the challenge just needs to show up at the tent set up on the south side of the Courthouse Square in Holton.
