Motorcyclist Injured in Freak Accident

(KTNC)--The Missouri State Patrol says a motorcycle driver was injured in an accident on Interstate 29 south of Rock Port Sunday evening.

Officials say 31-year-old Daniel Seaney of Myrtle Beach, South Carolina, was driving northbound at mile marker 100.4, 10 miles south of Rock Port, just after 6:30 Sunday evening, when his foot struck some debris in the roadway.

Seaney was able to maintain control of his 2006 Harley Davidson, stopping in the median. While there was no damage to the bike, Seaney was transported by Lifenet to the Heartland Regional Medical Center in St. Joseph with moderate injuries.
