Wheaton Man Injured in Wreck

(KMZA)--A Wheaton man was injured early Tuesday morning when his semi-tractor trailer overturned at an intersection in northern Pottawatomie County.

The Kansas Highway Patrol says 36-year-old Michael Hart was on Railroad Street in Wheaton and was making a right hand turn onto K-16 Highway when his trailer tires went into the ditch, causing his semi to roll shortly after 5:00. The rig landed on its passenger side, blocking K-16.

Hart was transported to the Onaga Community Hospital for treatment of unspecified injuries.
