### Weston Stabbing Injures One

(KAIR)--A reported stabbing at a popular Weston, Missouri attraction leaves one injured, but no formal arrest yet made in the case.

It happened late Sunday night at O'Malley's Pub, with police called to the scene after the stabbing was reported. Police Chief Terry Blanton says one man was showing signs of being stabbed in the upper chest, while a second man was taken into custody as a person of interest. However, Blanton says an arrest has not yet been made and no formal charges have been filed, as the investigation continues.

Names of those involved are not immediately being made public.
