SHOPKO Donation to Falls City Public Schools

(KLZA)-- The Shopko Foundation has awarded \$2,000 to the Falls City Public Schools. The funds come back to the school through the "Help Us Give Back" Campaign.

The Shopko Foundation supports education in their Hometown communities.

During Monday's School Board meeting Superintendent Tim Heckinlively said the funds will be used to help with expenses to bring various programs and speakers to Falls City Schools to speak to students.
