Baileyville Benefit Tournament a Big Success

(KMZA)--The Baileyville Benefit Tournament held this past weekend is being called a huge success.

Organizers say the 25th annual event was the best ever---raising about \$125,000.

Proceeds from this year's benefit will go to help three individuals with health issues—3-month-old Max Hammes, 22-month-old Graham Fleury Blakeley and 14-year-old Karsyn Aylward.

Organizer Dan Broxterman said the Baileyville Benefit Tournament committee would like to thank those who made the event an overwhelming success.

Organizer Kenny Schmitz added they have a Facebook page where people can go to view the progress of this year's recipients.
