KDOT Provides Leavenworth Co Road Construction Update

(KAIR)--The Kansas Department of Transportation has announced that the fourth phase of pavement reconstruction on a stretch of U.S. 73/K-7 in Leavenworth County will begin next week.

According to a release from KDOT, U.S. 73/K-7 from Twelfth Street to Sixteenth Street will be reduced to one lane in each direction starting Monday morning, with work scheduled to take place around the clock.

The third phase, which started on June 10th, is scheduled to be completed in mid to late July, with all phases scheduled to be completed in mid December, weather permitting.
