Former Dawson Clerk Facing Felony Forgery Charges

(KLZA)-- The former Clerk of the Village of Dawson is facing six felony counts of second degree forgery.

Although a probable cause affidavit has not been filed, sources tells MSC News the alleged crimes occurred when Jennifer Stutheit served in the role as clerk.

The 32-year-old appeared in Richardson County Court this week on the charges.

Counts one through five allege Stutheit wrongfully procured, or intended to procure, more than \$1,000 by use of a written instrument. The sixth charge alleges the amount was between \$300 and \$1,000. Court documents allege the forgeries took place between October 28th, 2014 and April 8th, 2015.

The case was continued until August 17th for a preliminary hearing.
