Rollover Wreck Injures Teen

(KMZA)--An Axtell teenager took a trip to the hospital Friday afternoon, following a single vehicle Nemaha County rollover wreck.

The Sheriff's Office says 18-year-old Kathleen Perry was westbound on 168th Road, a half-mile east of B Road, when she lost control of her car on loose rock. That caused the vehicle to leave the roadway where it collided with an embankment and a fence, and then rolled over.

Perry was transported to the Nemaha Valley Community Hospital by private vehicle for treatment of her injuries.

The wreck happened around 4:00.
