

### Volunteers Help With Hunger Project at Peru

(KLZA)-- Community members, the Nemaha County, Nebraska, Ministerial Association, numerous Peru State staff, student groups and athletic teams gathered in the Al Wheeler Activity Center October 5 to package over 44,000 meals for Kids Against Hunger. Peru State organized the event in partnership with the Nemaha County Ministerial Association, led by Pastor Ken Miller, who raise \$11,000 in funds to support the effort.

Kids Against Hunger is a non-profit Omaha-based national organization whose goal is to significantly reduce the number of hungry children in the U.S. and to feed starving children throughout the world. The meals packaged at Peru State by nearly 300 volunteers will be shipped to Port-au-Prince, Haiti.
