Drug Charges For Falls City Man

(KLZA)--A Falls City man is facing drug related charges following his arrest last week.

The Richardson County Sheriff's Department reports 20-year-old Blake Westcott was spotted, on foot, by a deputy, who knew he was wanted on a warrant.

When arrested, the Deputy claims Westcott was carrying methamphetamine, pills, drug paraphernalia, scales to weigh drugs, and baggies, in a back pack.

Westcott was arrested on charges of two counts of possession of a controlled substance and possession of drug paraphernalia.

Additional charges are possible.

Westcott was taken into custody on Friday.
