Minor Injuries Following Atchison Co Crash

(KAIR)--A Valley Falls teenager escapes serious injury following a single vehicle Atchison County crash early Monday morning.

Sheriff Jack Laurie says it happened around 6:50 when 16-year-old Madison Hetherington lost control of the Ford Ranger she was driving on Ellsworth Road, near 286th Road. She apparently overcorrected on the gravel road, causing the pick up to run off the west side of the road, where it rolled over, damaging a barbed wire fence.

Hetherington was transported by private vehicle to the Atchison Hospital following the wreck.
