Holt County Mitigation Plan Update

(KLZA)-- The Northwest Missouri Regional Council of Governments will sponsor a Holt County, Missouri Hazard Mitigation Plan meeting Tuesday, August 16th at City Hall in Mound City.

The 6 o'clock meeting is to discuss updates and improvements to the existing Holt County Mitigation Plan, which is required by FEMA.

The Regional Council of Governments, on behalf of the jurisdictions of Holt County is partnering with the Holt County Commission to update the plan.

Those interested in attending are asked to contact the Regional Council at least a week prior to the meeting. Contact Chance Long, Regional Planner at 660-582-5121.

You can also e-mail Long at chance@nwmorcog.org.
