Doniphan Co Bridge Project Advances

**(KNZA)--A Doniphan County bridge replacement project east of Blair advances.**

**The Doniphan County Commission this week accepted a bid from Wamego-based Ebert Construction Company for the replacement of a bridge on 190th Road over Peters Creek in the amount of \$268,661.**

**The bid was among two received, and was under the engineer's estimate.**

**The current structure will be replaced with a 44-foot steel beam bridge.**

**Funding through the Kansas Department of Transportation will be pay for up to \$160,000 of the project cost.**
