

Advance Voting Begins

(KMZA)--Advance voting has begun for the November 8th general election in area northeast Kansas counties—including Nemaha.

Nemaha County voters can vote an advance election ballot either by mail or in person at the Nemaha County Clerk's Office.

To vote by mail, a person must complete an application form and return it to the County Clerk's Office before a ballot can be mailed to them. All application forms must be received by November 4th.

Voters may come to the County Clerk's Office to vote in person up until 12:00 noon on Monday, November 7th. The County Clerk's Office is open Monday thru Friday from 8:00 a.m. to 4:30 p.m. and on Saturday November 5th from 8:00 a.m. to 12:00 noon.

All Nemaha County registered voters who will not be able to get to their polling place on Election Day, November 8th, are encouraged to use the advance voting option in order to cast their vote in this election.

Due to Kansas election law, every voter in Nemaha County is required to provide identification before voting. If a voter requests a ballot to be mailed to them, they must include their driver's license number on the application or include a copy of their photo ID with the completed application.

Anyone with questions concerning the advance voting process should contact the Nemaha County Clerk's Office at 336-2170.
