

Candy Recall Issued

**(KLZA)-- Hy-Vee, Inc., is voluntarily recalling several candy trays because they have the potential to be contaminated with Salmonella.**

**The recall is due to the potential for certain candy to be contaminated with Salmonella..**

**The voluntary recall includes selected products produced between Oct. 20, 2016, and Dec. 9, 2016, and shipped by Palmer Candy Company to grocery, convenience store and wholesale customers nationwide for repackaging.**

**The candy trays were distributed to all of Hy-Vee's grocery stores across its eight-state region, including Nebraska, Kansas, Missouri and Iowa.**

**The product comes in a plastic container with a clear lid. The sell-by date range for all items is between Jan. 26, 2017 and Feb. 23, 2017.**

**Consumers with questions may contact Hy-Vee Customer Care representatives 24 hours a day, seven days a week at 1-800-772-4098.**

**You can find a list of the candy trays included in the recall posted with this story at MSCNEWS.NET.**
