

Identity of Fatal Wreck Victim Made Public

(KAIR)--Authorities have revealed the identify of the Atchison man killed Wednesday morning in a Platte County, Missouri crash.

According to a news release from the Platte County Sheriff's Office, 51-year-old Donald Warf was behind the wheel of the El Camino that was struck by a second vehicle on Missouri Highway 92.

That driver, who suffered non life-threatening injuries, is identified as 33-year-old Platte City resident Joshua Ross.

The Sheriff's Office says Warf died after he lost control of his eastbound El Camino that slid across the westbound lane of the highway and was struck by Ross's car.

Slick roads were occurring at the time of the crash, and the preliminary investigation indicates weather may have been a factor. However, a final report is not yet complete as the investigation is continuing.
