

Plea Entered in Doniphan Co Drug Case

(KNZA)--A Falls City man convicted on a felony drug charge in Doniphan County will learn his fate March 6th.

As part of a plea agreement, 27-year-old Cameron Gill recently pleaded “no contest” in Doniphan County District Court to a charge of possession of methamphetamine.

In exchange for the plea, five additional charges were dismissed.

Gill was arrested last September by the Doniphan County Sheriff’s Department following a traffic stop on U.S. 36 Highway. During a consent to search his vehicle, authorities say a black pouch was located with baggies and residue of what appeared to be meth.

Gill remains in the Doniphan County Jail after his bond was revoked.
