

One Killed In Jackson Co Crash

(KNZA)--An early Tuesday morning Jackson County crash north of Holton claimed one life.

Jackson County Sheriff Tim Morse says it happened on U.S. Highway 75, north of 262nd Road.

The Kansas Highway Patrol identifies the victim as 26-year-old Topeka resident Anthony Bostick.

He was behind the wheel of a car that was northbound on the highway shortly after 5:00. The Patrol says the car left the roadway for an unknown reason, and rolled over, reportedly into a field.

According to Morse, the driver was ejected, and was pronounced dead at the scene.

The Patrol says Bostick was not buckled up at the time of the fatal crash.
