

Chamber Spring Clean Canceled

**(KAIR)--Due to scheduling conflicts and lack of staff, Atchison Chamber of Commerce's annual spring clean-up is canceled.**

**“Unfortunately, we have so many things scheduled in the month of April and we actually got the beautification council together and we just don't have the staff to do it,” said Atchison Chamber of Commerce President Jacque Pregont. It's very unfortunate because I know a lot for people look forward to it. But, physically it cannot happen so we had to cancel it.”**

**Even though the spring clean up won't happen, she said the fall clean-up is on the calendar.**

**“We have one planned—our fall one—and we will be working on the things that sometimes we do in the spring to make sure we can take care of everybody in the fall.”**

**Pregont said the fall clean up is set for Sept. 9.**
