Veterans Dedication Planned In Atchison

(KAIR)--A special dedication, timed with Memorial Day, is set to happen in Atchison Monday.

That's when a plaque honoring those from Atchison County, who died in service since World War 1, will be dedicated.

It will happen at Memorial Hall, located at 819 Commercial Street.

The dedication will begin at 11:00 with the VFW Honor Guard Memorial Day Presentation, followed by comments from former United States Congressman Jim Slattery.

Displays will be available for viewing inside Memorial Hall, and light refreshments will be served until 1:00.

The public is invited to attend.
