

Pawnee County Commissioners Meet

(KLZA)-- Pawnee County Commissioners reviewed the pay policy for part time employees during their June 20th meeting.

The Board approved pay for part time, non-certified employees shall be set by the individual department head or elected official, but is not to exceed the office deputy hourly wage.

Commissioners met with Veterans Service Administrator Larry Bradbury to review the hours for the Veterans Service Office. Hours are 8:00 a.m. to noon and the Board suggested those hours should be adhered to.

A proposal for a new Mack Truck from RDO Truck Center, the company with the state bid this year was reviewed with Highway Superintendent Chris Rauner.

No action was taken. The price for a new Mack Truck with a day cab was quoted at \$104,545. Rauner is to get more information for the Commissioners.
