Body of missing MO man found in Nemaha Co KS

**(KMZA)--Foul play is not suspected in the death of a missing Missouri man whose body was found earlier this week in Nemaha County, Kansas.**

**Nemaha County Sheriff Rich Vernon told MSC News Friday that the body of 34-year-old Kyle Dillman, of St. Joseph, was found Tuesday afternoon in a car at the end of 124th Road, south of Baileyville, just a 1/2 mile west of "C" Road.**

**The Sheriff's Department had been notified of a car that been sitting in the same spot for over a 24-hour period..**

**Vernon said the death appears to have been caused by suicide, but remains under investigation.**

**The St. Joseph Police Department sent out an alert November 30th seeking the public's assistance in locating Dillman. He had last been seen on November 26th.**
