

Three teens injured in Atchison County wreck

(KNZA)--A single-vehicle early Thursday morning Atchison County wreck left three teenagers with disabling injuries.

The Kansas Highway Patrol reports 19-year-old Atchison resident Austin Hager was northbound on Greeley Road, about two miles west of Lancaster, in a Chevy Camaro when he approached the T-intersection at 286th Road and failed to stop. His car left the roadway and struck an embankment. The vehicle then continued on, striking a tree.

Hager and a passenger, 17-year-old Muscotah resident Jacob Hamilton, were taken by Atchison County EMS to Mosaic Life Care in St. Joseph.

A second passenger, 18-year-old Lancaster resident Michael Baker, was flown by Lifestar helicopter to the University of Kansas Hospital in Kansas City.

The Patrol says all three teens were not wearing seatbelts.
