

Work to resume on two Falls City highway projects  
**(KLZA)-- Weather permitting, work on two Falls City area highway improvement projects will resume the week of March 25.**

**Knife River Corporation doing business as Knife River Midwest of Sioux City, Iowa was awarded the bids on both projects.**

**The Highway 8 project from Salem to Falls City includes pavement repair and asphalt surfacing at a bid price of more than \$3.4-million.**

**The Highway 73 project through Falls City includes concrete pavement repair and asphalt surfacing at a cost just under \$2-million.**

**According to the release from the Nebraska Department of Transportation, traffic will be maintained by one lane work zones and both projects are to be completed this spring.**
