

Horton budget calls for no mill levy change

(KNZA)--The Horton City Commission is proposing a 2020 city budget that maintains the same property tax levy.

The proposed budget, approved for publication, calls for net expenditures of nearly \$4.3 million.

It contains an estimated tax rate of 67.762 mills, which is to generate nearly \$441,000 in revenue.

Even though the mill levy will remain unchanged, the city will collect an additional nearly \$18,000 in local taxes due to an about \$258,000 increase in the city's assessed valuation.

The Commission will consider adoption of the budget following a public hearing at their August 12 meeting.
