

Seneca seeking annexation of properties

**(KMZA)--The city of Seneca is seeking the annexation of three city owned properties located outside the city limits.**

**The Seneca City Council at their October 16 meeting approved a resolution requesting the Nemaha County Commission determine that annexation of the properties is appropriate.**

**City Administrator Matt Rehder said the properties include the municipal airport west of town, an about 40 acre tract near Maxwell Springs and a tract of land southeast of the city where a city water well is located.**

**The resolution requests a reply from the county commission within 30 days.**
