Auburn School Board approves computer purchase

(KLZA)-- The Auburn Board of Education approved the expenditure of nearly \$20-thousand for 25 personal computers for a lab when they met November 11.

In other action the Board approved the 2018-19 School District audit that was presented.

Also approved was the use of school grounds for the annual fireworks display July 4th.

Elementary Principal Jackie Kelsay was recognized for her service to the Auburn School District prior to her retirement.

Board members also learned more about an Emergency Lockdown Drill with Emergency Management scheduled for Tuesday, November 26.
