

Grant awarded to Falls City Elementary Schools

(KLZA)-- The Falls City Board of Education learned Monday night that North and South Elementary Schools have been awarded a Nation Lunch Program Equipment Grant totaling more than \$25,800 to fund the purchase and installation of new, commercial-grade dishwashing units at both elementary sties.

The new units will replace models dating back nearly 25 years.

The Board accepted the resignation of Dianna Kottich, who has been a paraeducator for District 56 for 29 years and Cathy Palmer, who has served as South School administrative assistant for 19 years.

Principal employment contracts for the 2020-21 school year and classified employee wages for the next school year were also approved along with an agreement with ESU 4 for Special Education Services during the 2020-21 school year.
