Sabetha Hospital taking precautions due to COVID-19

(MSC News)--Sabetha Community Hospital, Sabetha Family Practice, and Nemaha County Home Health & Hospice are taking precautions during the COVID-19 pandemic.

The Hospital has announced they are limiting entrances to the facility. If you need to come to SCH, you are asked to report to the ER or front entrance to be screened before entering the facility.

The Hospital is also asking that you refrain from visiting family and friends in the hospital at this time.

If you have a cough and fever and are concerned about COVID-19, they ask that you call the Nurses Station 284-1529 prior to entering the facility.
