Experts to answer COVID-19 questions on 93.7 FM

(KAIR)--Questions persist regarding the future ramifications of the coronavirus pandemic.

From the closure of schools to the closure of businesses, the effort to curb the spread of the virus, and the resulting COVID-19, has led to an unfamiliar scenario.

MSC Radio News is working to answer your questions.

On Monday morning, we will talk live with Atchison USD 409 Superintendent Renee Scott as she answers your questions regarding the future of the remainder of the classroom-free school year.

On Tuesday morning, we'll talk live with physician and State Representative Dr. John Eplee, who will answer your questions about the coronavirus and the Legislative response.

Both Scott and Eplee will be featured beginning at 7:30 both mornings.

Questions can be submitted in advance by email at kairradio@gmail.com or by calling live Monday and Tuesday mornings at 913-367-9370.
