Atchison schools expand meal pick-up locations

**(KAIR)--Atchison's USD 409 continues to feed, through the assistance of the state, students displaced by the closing of classrooms across Kansas due to COVID-19.**

**Superintendent Renee Scott, during a question and answer segment on the 93.7 FM morning show, said the pickup locations for the meals have been expanded as of March 23.**

**The meals can be picked up from 11 to 1 daily.**

**Hear Scott explain the expansion below.**
