Pawnee City Council meets

(KLZA)--Pawnee City Council members reviewed a claim for hail damage to city property that occurred during a June storm.

More than \$100-thousand in damages were caused to city property including the city offices, water wells, the sewer plant, city shop and other property.

The Council approved a resolution to increase the Demolition Incentive Reimbursement amount from \$2,000 to \$4,000 for the demolition of nuisance properties after receipts are submitted for Council approval.

Council members also met with Pride Committee members to discuss preparation of a plan to address nuisance properties in the community. The Council will work with Pride Committee members to develop a plan.
