2021 Brown Co budget adopted

(KNZA)--The 2021 Brown County budget has been adopted as published.

The Brown County Commission took the action Monday following a hearing drawing no public comment.

The \$11.2 million budget calls for a slight decrease in the property tax levy.

The budget contains an estimated tax rate of 31.038 mills, which is a .433 mill decrease over this year.

The mill levy is expected to generate \$6.4 million in property tax revenue.

Even though the mill levy will decrease slightly, the county will collect nearly \$168,000 in additional revenue due to a \$8.1 million increase in the county's assessed valuation.
