

Mound City School Board Meets

**KLZA)--The Mound City Board of Education heard an evaluation report on the Library / Media Center when they met last week.**

**Principal Jake Shipman and Dee Flint said COVID-19 funding the school receives will be used to help increase the amount of online resources the school district can offer.**

**Ms. Flint commended the job the staff did in rounding up materials and getting it ready for pickup when the Pre-K through 4th Grades were forced to go to virtual teaching for a two-week period due to COVID-19 quarantines.**

**Mr. Shipman noted that most off campus trips have been postponed or done virtually due to COVID.**

**Superintendent Korey Miles reported the school district has purchased masks for all staff members as well as lanyards for Pre-K through 4th grades students for when they return to face-to-face education.**

**Board members also approved the 2019-20 School District Audit and approved the first Tuesday in April, 2021 for the election of the Mound City Board of Education.**

**It was also noted that the concrete has been poured for the weight room addition.**
