Fire damages rural Falls City garage roof

(KLZA)-- Members of the Falls City Rural Fire Department responded to a call at the Vince Metzner residence southeast of Falls City Thursday.

Fire Chief Mike Ramsey said that embers from a trash fire caught the roof of garage on fire. The fire got into the rafters of the garage but the garage sustained no other damage.

Ramsey reminds area residents that due to the dry conditions if you are burning you need to be very careful and monitor the fire.
