Overlay project begins on K-63 in Nemaha Co  
**(KMZA)--Overlay and milling work has begun on the northbound and southbound lanes of K-63 in Nemaha County.**

**The project covers about 8 miles, from junction with K-9 to the junction with U.S. 36.**

**According to the Kansas Department of Transportation, traffic will be restricted to one lane in the work zone. Motorists will be directed by a pilot car, flaggers, signs and cones. Drivers should plan for delays of up to 15 minutes and add extra time to their travel schedules.**

**Work will take place Monday through Saturday, during daytime hours.**

**Hall Brothers, Inc., of Marysville is the contractor on the \$646,000 project. The project is expected to be completed by late-May, weather permitting.**
