

Doniphan Co road foreman, employee fired

(KNZA)--A Doniphan County road foreman and employee has been fired.

The Doniphan County Commission voted unanimously Monday to terminate the employment of 2nd District Road Foreman Jerry Wayne Carter and 2nd District road employee Eric Ivins in two separate motions according to the unofficial meeting minutes.

No reason was publicly stated for the decision.

Carter's termination was effective July 9th, while Ivins was effective July 12.

The Commission voted to hire Roger Clark as temporary 2nd District road foreman until a permanent full-time foreman is hired.

The Commission also voted to promote Chris Schultz to 3rd District road foreman, effective July 12.

Commissioner Wayne Grable expressed the need to run the county road department as a countywide unit and not by individual districts for the betterment of the entire county.
