

SEDHD to host COVID walk-in vaccination clinic in Falls City

(KLZA)-- The Southeast District Health Department is holding a COVID-19 Vaccination Clinic in Falls City on December 16th from 2 to 6 PM at Prichard Auditorium.

The walk-in clinic will be for the first or second dose and for the booster shot. The Morderna and Pfizer vaccines will be administered.

Individuals who plan to attend must be at least 90 days past receiving a monoclonal antibody infusion as a treatment for COVID-19. You must wear a mask before entering through the main entrance. If you are under the age of 19, a parent or legal guardian must be present at the clinic for consent.

If you are getting a booster shot it must be at least 6 months since your 2nd dose of Morderna or Pfizer. You also need to bring your insurance card to submit a claim for the administration of the shot. However nobody will be denied a vaccine due to insurance coverage.
