Auburn BPW approves wage increase for Director

(KLZA)-- The Auburn Board of Public Works approved a three-percent, cost of living pay increase for BPW General Manager Dave Hunter when they met December 15.

Hunters current salary is \$107,313.

Following a presentation by Hunter on the Wink Overhead power Line, the Board approved replacing the line with underground service. The line is just over two-thousand feet in length and crosses private property which makes it difficult to access. The upgrade will carry a price tag of approximately \$24-thousand.
