New convenience store and gas station to open in Mound City
(KLZA)-- A Phillips 66 convenience store and Gas Station is preparing to open on the west edge of Mound City, Missouri, along Interstate 29, in the former bp gas station.

The Mound City News reports new signage is being put in place and the fuels pumps are being updated. In addition to gas and diesel the plans are to sell snacks and beverages and they are hoping to find someone to lease the kitchen area in the building.

An opening date for the business has not been determined.
