

Atchison org feeding kids through the summer

**(KAIR)--A local organization is providing free lunches for Atchison County children up to the age of 18.**

**That's being done by the Salvation Army of Atchison County through its "No Hunger Summer" campaign. Kim Bottorff serves as County Coordinator for the organization. "They're a cold snack lunch," she said, adding that the lunches "have a sandwich, a fruit, a veggie, a snack, a drink. We're doing them everyday, you just drop by."**

**The free lunches are available for pickup daily at the Atchison Salvation Army Office, located at 926 Commercial Street.**

**Bottorff says the free lunches will continue to be distributed through the summer until the start of the new school year in August.**
