Teen charged in Atchison sex crimes case

(KAIR)--Details are scarce regarding what led to the arrest of an Atchison teenager this week on sex crimes-related charges.

According to a release from Atchison Police Chief Mike Wilson, the 14-year-old boy was arrested Thursday, taken into custody by police on an Atchison County District Court warrant charging him with aggravated criminal sodomy.

Details regarding the victim, including their relationship to the accused, is not made public.

Because of the age of the accused teen, the matter is placed in juvenile court.

Following his arrest, the 14-year-old was booked into a juvenile detention facility.
