Recycling event in Mound City June 30

(KLZA)-- A special recycling collection event is scheduled for Thursday morning in Mound City.

Holt County Recycling will partner with the Northwest Missouri State University Recycling Center in Maryville for the event to be held at 302 Nebraska Street, the site of the former Laukamper Chevrolet dealership. The event will take place from 9:30 a.m. - 11:30 a.m.

Residents are invited to bring #1 and #2 plastics, aluminum and paper recycling materials to the event.

Items accepted will include cardboard, mixed paper including magazines and catalogs, newspapers, paper egg cartons and paper bags and non-corrugated boxes, glass bottles and jars with no lids and rinsed.

Aluminum cans, pans and tin cans will also be accepted.
