Onaga woman injured in wreck

(KMZA)--An early Wednesday afternoon single-vehicle Pottawatomie County wreck sent an Onaga woman to the hospital.

The Kansas Highway Patrol reports 58-year-old Delores Sauvage was northbound on K-63 Highway, south of 286th Road, when her Cadillac Deville left the roadway and struck a field entrance shortly before 12:30. The vehicle became airborne for some distance before coming to rest on it's front.

Sauvage, who was wearing a seatbelt, was transported to Topeka's Stormont-Vail Hospital for the treatment of suspected serious injuries.
