Highway 159 armor coat project scheduled

(KLZA)-- An armor coat project is scheduled to begin Monday, July 18 on U.S. Highway 159 between Rulo and Falls City.

The Nebraska Department of Transportation estimates the armor coating project to take three days to complete.

State Road Department workers will be performing the armor coating work beginning near Rulo at reference post 5 and move west to reference post 13.

Traffic will be maintained with a pilot car and flaggers.

Motorists are reminded to drive cautiously in and near work zones, the buckle up and put phones down.

Armor coating is an application of an asphalt binder to a roadway surface followed by an aggregate.
