Community of Peru under water restrictions

**(KLZA)-- Mandatory maintenance is being done on the temporary water treatment plant and well at Peru.**

**While this work is being completed, water is being trucked into Peru.**

**City of Peru water customers are under a boil advisory and a stage 3 water emergency.**

**There are cases of water available for community residents at the Peru City Hall, weekdays from 8:30 a.m. - 4:00 p.m.**
