

A & W Restaurant coming to Fairview

**(KNZA)--An agreement has been signed that will bring a national chain restaurant to the Brown County community of Fairview.**

**According to a press release, A & W Restaurants has signed a multi-development deal with Sabetha father and son team, Bud and Stan Keim, that will also see restaurants built in Wellsville and a yet to be determined location.**

**The Fairview restaurant will be built at the Keim Travel Plaza, currently under construction at the junction of U.S. 36 and 75 Highways.**

**"I grew up here and know the community and what it needs," Bud Keim said in the press release. "I've spoken with many residents that are very excited to have an A&W here as it brings back nostalgic memories. This is a rural area, along with the 8,500 vehicles that travel past Hwy 36 and 75, and we knew it would be a perfect place for it."**

**There are currently ten A & W restaurants in Kansas.**

**The Keim's have been in the trucking business and lived in Sabetha their entire lives.**

**Construction began in March on the travel plaza, which is expected to open in 2023.**

**The Keim's have operated a truck wash at the location for 10 years.**
