(KAIR)--A Jackson County traffic stops ends with a Valley Falls man jailed for drug and weapon-related charges.

That's according to a release from Jackson County Sheriff Tim Morse, who says 45-year-old Joshua Funk was arrested around 1:00 Monday afternoon and taken into custody on charges for criminal use of weapons, possession of methamphetamine, possession of drug paraphernalia, interference with law enforcement, transporting an open container, no insurance, and driving while suspended.

According to Morse, Funk's arrest came after his vehicle was stopped by a deputy, near 118th and S. Road, for an alleged vehicle registration violation.
